One of our major CTP touch IC vendor, Focal tech, had recently declared EOL plan for IC FT5426 & FT5626. A majority of Winstar TFTs with CTP is influenced by this change.

We appreciate your support to Winstar as always, and we will continue to do our best to make the transition as smooth and easy as possible for you. If you have any further questions, please feel free to contact us. Thank you!

With best regards,
Product Management of Sales Division
