

Capacity plan for H2/2021 (MSTN)

DATE: 2021/06/16

Dear Customers,

Since the beginning of 2021, the shipments of some specific products are limited by the foundry production capacity. Sitronix has tried every attempt to fulfill the needs of our customers.

However, the problem of the foundry production capacity can not be solved within a short time. **We strongly suggest our customers consider using alternative solutions to avoid or ease the supply shortage.** The recommended alternatives are listed as follows.

Product Code	Recommended alternatives
ST7529	ST7529A
SC5260 = ST7567A	ST7567S
ST7565R	ST7567
ST7565P	ST7567
ST7032(i)	ST7032A(i)
ST7036(i)	ST7036A(i)

Product Code	Recommended alternatives
ST7585(i)	ST7575(i)
ST7545T(i)	ST7575(i)
ST7546T(i)	ST7576(i)
ST7548T(i)	ST7578(i)
ST7549T(i)	ST7579(i)

We would like to apologize for any inconvenience that may cause you due to the limited foundry supply. If you need any technique support on migrating to the alternatives, please contact our FAE teams. We are more than happy to assist you to have a smooth transition.

Thank you for your patience and support as always.

Best Regards.
